Aboy Solomon had expressed on September 18, 2018, on the occasion of Ethiopian New Year, on the BBC, News Tigrinya, his displeasure at the shameful acts of his nephew Isayas Afewerki, when he visited Hawassa, Oromia Kelel of Ethiopia in July 14, 2018, sidestepping their homeland of Mekelle.

Aboy Solomon also stated, “His mother is my aunt. His mother and my mother are sisters, they’re relatives. They are natives of Yeha (Tigray).”

“ ካዲኡ፡ ሓትነይ ኢያ ንዓይ። ምስ

On October 12, 2018, in our Joint Investigative Document titled Dejezmatch Solomon Abraha Hagos

**Mirach WoldeKidan, The Final Verdict, Part - 7 & Final we reported:**

**“On the matriarchy line Isayas is 100% Tigrayan by origin. Isayas’s grandmother Weizoro Medhin Mesele was from the royals of Adwa. Her hometown is Yeha, 35 k/m northeast of Adwa.”**

**Isayas and his fabrication machinery BADO-5 have been feeding false information to the Eritrean public and to the world pertaining Isayas’s originality. In the past many Ethiopian bloggers and writers have partially exposed Isayas’s Tigrayan identity on the internet as well on some Ethiopian magazines.**

**For the first time, Ato Ghirmai Kidane, Wedi Fillipo and investigator Haile Menegesha Okbe in their Joint Investigative Document published comprehensive document about Isayas’s 100% percent Tigrayan identity both on the matriarchy and patriarchy sides.**

**Ato Ghirmai and investigator Haile are highly grateful that Aboy Solomon Unquay voluntarily stepped forward and clearly told the truth about Isayas’s matriarchal Tigrayan identity.**

**We present our sincere gratitude to Aboy Solomon.**
