

## **Party of Peace and Democracy of ERITREA: PPDE**

Part of Peace and Democracy of Eritrea (PPDE) was established on 20-04-2007 and joined the opposition camp of Eritrea to remove the government of dictator President Isayas Afwerki of Eritrea from power by using all available methods of struggle and replace him with constitutional democratic multi-party governance.

PPDE has been working very hard to this end. PDDE is one of the 35 (thirty-five) political parties who convened in the first congress of the Eritrean opposition camp in Ethiopia (AWASA) on November/2011 and established the Eritrean National Council for Democratic change ENCDC (BAYTO).

In the present stage of our struggle, the people of Eritrea and the opposition camp of Eritrea together with the people of Tigray and the government of Tigray jointly concluded that the dictatorial government of Isayas Afwerki is their number one common enemy and agreed to join hands to remove him from power for the sake of peace in Eritrea and Tigray in particular and for the sake of peace in the horn of Africa in general.

Now; PPDE has accepted and officially joined the above strategic alliance of the people of Eritrea and the people of Tigray effective 27-07-2020 and will do its share to make it successful.

Memhr/Tesfagaber is chairman of PPDE
